1. Narrative description of the Prop 28 arts education program(s) funded. (2500 character limit).

Due to Prop. 28 funding, General Shafter was able to provide our students with the opportunity to learn, play, and perform musical instruments. This culminated into a public concert for our student body and community. In 2024-25 our students learned to read music; we anticipate this new skill will increase reading levels. 63 students learned the instruments, keyboarding and ukulele. The instructor has played a vital role in helping us purchase instruments for students. In 2025-26 we will continue to purchase drums and introduced them to our students. Our long-range goal is to have a marching band. We will be enhancing our Art program this year.
